CLERK: Mr. President, may I have permission to read in some committee reports.

PRESIDENT: Please do.

CLERK: Mr. President, Select Committee Reports, Enrollment and Review (read) LB43A, 162, 162A, 306A, 506A, 17 replaced on Select Filed as amended. (Signed) Senator Cavanaugh, Chairman. Mr. President, Reference Committee Report refer LB 715 through 728. (Signed) Senator Carpenter, Chairman.

PRESIDENT: We will go next to the General File consideration of LB 92, Senator Snyder's bill.

CLERK: LB 92 introduced by Senator Snyder.

PRESIDENT: Stand by. Senator Snyder.

SENATOR SNYDER: Mr. President I would ask for unanimous consent to bracket LB 92 until a week from today.

PRESIDENT: Until a week from today. Senator Snyder is asking for unanimous consent to bracket LB 92 for a week from today. Are there any objections to bracketing the bill for that length of time. Hearing none. So ordered. The bill is bracketed. Move to the General File consideration of LB 520.

CLERK Read LB 520.

PRESIDENT: Stand by.

SENATOR LUEDTKE: I'm going to ask that LB 520 be held on General File indefinitely. And the reason for it is that this bill was requested by our Corporate Counsel for the city of Lincoln, Ralph Nelson, and the Municipal Court of the City of Lincoln which you recall we got involved with a little debate on it the last time it was on the floor. And in conferring with Mr. Nelson yesterday he agreed that it would be just as wise to allow this bill to remain on General File indefinitely. And I would like to put it here, until later in the session. If things work out the way we think maybe we can just absolutely drop the bill.

PRESIDENT: Senator Luedtke is asking unanimous consent to leave LB 520 in General File indefinitely for the present time. Are there objections. Hearing none. So ordered. The bill will be left bracketed on General File. That moves to LB 128. Thank you. Senator Stromer are you ready for the General File debate of LB 128.

CLERK: LB 128 read

CLERK: There's an amendment now pending..There's an amendment by Senator Waldron that was printed in the Journal on page 125, he's now asking unanimous consent to withdraw that amendment and substitute another one therefore.

PRESIDENT: The chair recognizes Senator Waldron.

SENATOR Waldron: Mr. President. I asked to substitute this amendment for the purpose of merely clarifying what I was asking to do..It's no substitute change whatsoever in the amendment. It was..I had it redrafted by the bill drafter so it actually conformed. But it is the same principle as is in the Journal
